## PROFILE

I am a fresh graduate of Bachelor of Science in Information Technology from Panpacific University – Tayug Campus. I graduated on October 3, 2025. I am responsible, hardworking, and flexible at work. I can follow company rules, work well with a team, and provide good service. I am willing to learn new tasks, adjust easily, and do my best to help the company and gain work experience.

## PRE EXPERIENCE

### Philippine Statistics Authority - CAR

JUNE 2025 - SEPT 2025

- Developed the RSSOCAR Publication System as a final project during my IT internship under the Statistical Operations and Coordination Division (SOCD) of the Philippine Statistics Authority – CAR. The system was designed to improve data accessibility and presentation for official publications.
- Collaborated with various divisions to support statistical operations, focusing on organized data management and effective information dissemination.

## SKILL

- UI/UX Design
- Web Development
- Graphic Designing
- Time Management
- Adaptability
- Willingness to Learn
- Teamwork and Communication

## EDUCATION

### Bachelor of Science Information Technology

SEPT 2022 – OCT 2025

Panpacific University – Tayug Campus | Lopez
